Our aim is to help people better understand that the life issues are not political issues, but spiritual issues that have been politicized. These issues touch people's very souls. They challenge their faith.

The Church needs to be speaking to its own on these issues before challenging them to engage the culture.

We have what it takes to address **Matters of the Heart**—the Gospel of Jesus!

“Comfort, comfort my people, says your God. Speak tenderly to Jerusalem, and cry to her that her warfare is ended, that her iniquity is pardoned, that she has received from the Lord's hand double for all her sins” (Isaiah 40:1-2).
