

The Basics of Lutherans For Life

Our Mission: Equipping Lutherans to be Gospel-motivated voices For Life.

Our Vision: Every Lutheran congregation upholding the God-given value of human life and influencing society to do the same.

Structure and Relationships

A local chapter is a local organization that has been chartered by National Lutherans For Life. The chapter is formally associated with and subject to, but not a part of, the corporation known as Lutherans For Life, Inc.

A state federation is an organization that has been chartered by Lutherans For Life, Inc. in a state where there are at least five chartered chapters. In a state where a state federation exists, the chapters also become affiliated with the state federation. This occurs automatically at the same time a chapter becomes chartered by Lutherans For Life, Inc. These relationships are basically the same whether or not the chapter is incorporated. Thus, Lutherans For Life consists of a network of individual entities formally associated with each other.

Membership Information

All officers of State Federations and Chapters and Life Ministry Coordinators must be members in good standing of Lutheran congregations and members of National Lutherans For Life.

Membership contributions are divided among the national organization, state federation, and local chapter if it is chartered.

Chapters that wish to include a membership form in newsletters or correspondence are asked to maintain the form and information provided by the national office.

The local chapter may not establish its own membership program since LFL has a “unified membership” program. When sending a membership form to the national office, make sure the chapter name and number, if chartered, is written on the form in the space provided. This will assure that the state federation and local chapter receive the proper remittance payment.

Membership Classifications

Annual Membership

- Annual members join by making a membership donation accompanied by a completed copy of the membership form (or by joining online).
- Annual memberships run from July 1 through June 30. New memberships will expire on June 30 of the year following the initial membership donation.
- An annual membership drive will begin in May of each year. Current members will receive renewal information at that time. The membership drive will also encourage new memberships, although they will be accepted at any time of the year.

Sponsor Membership

- Sponsor members pledge to contribute a certain amount each month and to pray regularly for Lutherans For Life.
- Sponsor members receive a monthly letter from the executive director.
- Sponsor members are asked to renew their monthly pledge each year as part of the annual membership drive.

The Remittance Program of LFL

All MEMBERSHIP donations are shared with the chartered state federation and/or local chapter to which the particular members may belong. The membership donations are divided as follows:

Annual Memberships:

- 20% goes to the local chapter (If there is no local chapter this 20% goes to the state federation.)
- 20% goes to the state federation
- 60% remains at national

Sponsor Memberships:

- 1/12 goes to the local chapter (If there is no local chapter this 1/12 goes to the state federation.)
- 1/12 goes to the state federation
- 10/12 remains at national

Fish Stories

Inspiration for this Bible study may have come from a recent fishing trip to Cannon Lake in Minnesota. But I will not bore you with pictures (well, maybe one) or with stories of three and four pound Walleye and even larger Northern.

But let's compare two fish stories in the Bible.

The Stories

Read Luke 5:1-11 and John 21:1-14. Listen for similarities and differences as you do.

The Comparison

The Context – 5:1-5 and 21:1-3, 14 – This is very important. When in Jesus' ministry did each take place? Point out other similarities/differences.

The Catch – 5:4-6 and 21:4-6, 11 – Why did these seasoned fisherman cast out their nets one more time even after fishing all night and catching nothing? The answer is profoundly simple and the same in each incident. Other similarities? Differences? Comment on how Proverbs 3:5-6 relates to this.

The Response of Peter – 5:8 and 21:7 – This is the most important comparison in these fish stories. The responses are completely opposite—"Depart from me." Vs. "Can't wait to get to you!" What would account for this drastic difference? (Remember the context!)

In light of this, compare these sets of verses: Isaiah 64:6 and Isaiah 1:18 ; Romans 5:1 and Romans 5:10.

The Aftermath – 5:9-11 and 21:12-14 – Discuss the similarities and differences of "following Jesus" and "having breakfast with Jesus"?

The Application

Discuss how these fish stories may help us For Life folks in dealing with: (1) the unmarried pregnant teen, (2) the post-abortive woman or man, (3) those who feel they have no worth, (4) families experiencing guilt or uncertainty about end-of-life decisions.

Now go around the room and everyone share their favorite fish story!

Real Estate for Life, Thrivent Choice Dollars®—and more!

by Kay L. Meyer, director of development for Lutherans For Life

Real Estate for Life

Do you know about this new way to raise support for LFL? We encourage LFL chapters and Renewal For Life leaders to help us promote this at congregations and to your members.

If you are getting ready to move, consider Real Estate for Life. They make it easy for you to support Lutherans For Life by using funds a real estate company has already earmarked for commission fees at no additional cost to you. An example: When you call them and later close on a \$150,000 home, Lutherans For Life will receive approximately \$1,000. Make sure you call Real Estate for Life first, before you call a real estate company. Real Estate for Life will make the necessary arrangements with you to market your home no matter where you live. Spanning most nations worldwide, their network of real estate agents are experienced and have a proven track record. In addition, these agents are committed to upholding the Gospel of Life.

For more information, call 877.543.3871, email proliferealestate@yahoo.com, or go to www.lutheransforlife.org/real-estate-for-life.

Thrivent Financial Choice Dollars Update

Since Thrivent Choice Dollars® has been approved to support Lutherans For Life through Choice Dollars over **\$12,000** has been donated by individual members of LFL who have designated their Thrivent Choice Dollars® to LFL. If you haven't yet designated Choice Dollars to support LFL you can still do so. Learn how at www.lutheransforlife.org/give/. **Thank you for supporting LFL through your Thrivent Choice Dollars®!**

Little Things LFL Volunteers and Supporters Do Change Hearts and Lives

I was an exhibitor at a national conference. A woman told me, "There was a poster of how babies develop and grow in the womb at our congregation. A woman who was there for a wedding saw it and later called the number on it. Because of that poster and telephone call she decided to keep her baby. Today that child is a beautiful 3-year old." She continued, "Keep up your work to be a Gospel-motivated voice for life. You never know who will see the posters, brochures and resources."

An LFL volunteer shared, "I had a friend who told me she was pregnant and was thinking about an abortion. I ordered resources for her from LFL. She read the material and decided not to get the abortion. Praise God for your resources that help save the lives of babies!"

So often LFL volunteers tell me, "I really don't do much." I want to tell each of you, "It is the

little things that you do day after day, week after week and month after month that are changing people's hearts and lives. Just keep doing what you're doing and pray for the Lord to change people's hearts and lives.”

Review of *Living in Financial Victory* by Tony Evans. Recently I read the book *Living in Financial Victory* written by Tony Evans. The following is a summary of what you will find in this book published by Moody Books:

A life of financial victory can be yours—by following biblical principles of stewardship. “Stewardship? What’s that got to do with me?” you might ask. Tony Evans explains that all we think we own really belongs to God. And when we think of “our” money that way, we can learn to be good stewards, or managers, of what God has entrusted to us. *Living in Financial Victory* lays out how we should approach the vital topic of money in the areas of stewardship. I would encourage you to take the journey through this concise and practical book. Tony Evans is pastor of Oak Cliff Bible Fellowship in Dallas, Texas, and the former chaplain of the NFL’s Dallas Cowboys. He is presently the chaplain of the NBA’s Dallas Mavericks and host of *The Alternative*, a radio program.

Stories of Encouragement from our Frontline

How can we make a transformational difference in the lives of others?

An Adoption Initiative

This edition's story comes to us from Delores Desemone, chapter president of LFL of St. Charles County, Missouri, #337. Delores writes about the amazing work of God through a special adoption initiative they sponsored.

A young lady our chapter helped six years ago has come back into our lives. She was looking for foster care for her children as her living situation wasn't safe. My husband and I have unofficially been serving as foster parents for her five year old, two year old, and three month old. We just got them placed with a family from Immanuel Lutheran Church, St. Charles—and the children are excited to be learning about Jesus!

In 2010 Pastor Schmieding, one of the 12 pastors our chapter works with (who has a story of his own as he is a tongue cancer survivor), approached our board, saying he wanted to do something BIG for Life Sunday in January of 2011—would we team with him?

We jumped on board and began to pray about what we could do. Soon after that meeting with him, we learned the pregnancy center in St. Louis was looking to purchase a mobile center to be on site outside Planned Parenthood, the only abortion provider still open in our state. We saw pictures of the center they hoped to purchase and thought this might be just the project for us ... An opportunity for a woman headed to get an abortion to see her child ... So we talked to the pregnancy center about helping. They were excited, and purchased bottles for us to distribute.

Everyone at the 12 area congregations and schools were really excited—we had to purchase more bottles. After three weeks we had raised \$33,000. We presented it to them at a worship service at Lutheran High—ALL PRAISE AND GLORY BE TO GOD!!

After that wonderful opportunity to watch God's people respond to a real "LIFE" need, Pastor Schmieding suggested we take a year off and then do another similar fundraiser ... within our local churches promoting adoption.

In 2012 we started planning that event. Our chapter established an adoption initiative committee to work under the board. We had many meetings and researched adoption and all the helps here in our community. I remembered Renee Gibbs [a national Lutherans For Life board member] telling me about a ministry named Lifesong (www.lifesongfororphans.org). She told me they gave financial help to families who were adopting ... they have helped us very much—we are

teaming with them to manage the finances of this project.

We also worked with another local ministry trying to promote adoption and foster care within churches. They allowed us to borrow portraits of children who were available for adoption within our state. We displayed those portraits in our churches for several weeks while we introduced the adoption initiative plan and suggested people gather their change. We worked with the church contact—a lay person who works closely with LFL as we do each project, to be sure it is followed up on in their congregation. We visited each pastor along with the church contact from his congregation and asked for their support. We spoke to each principal at the Lutheran elementary schools and the high school. We talked to the deaconess at the Lutheran Senior Center—all were excited. We passed out 1,500 baby bottles on Life Sunday and watched God work in His people!!

We had stories of children going home and emptying their piggy banks into baby bottles so a child could have a “Forever Family.” The people at the senior center were all putting their bingo money in the bottles. One little girl told all her friends not to bring birthday gifts but to bring the money they would spend on a gift for her. She put it in a baby bottle and gave it to us. It was nearly \$100. We are still receiving baby bottles as some people didn’t want to return it until they filled it. One bottle had a check for \$600. Thrivent Financial matched \$500. As I write this, we have raised over \$30,000. On April 10th, we hosted a praise and informational dinner to thank the church contacts for all their labors and to invite people interested in learning more about adoption/foster care. Debbie Schallom from LFCS was our guest speaker. Pastor Schmieding led us in time of praise. We had five couples attend who wanted to learn more about adoption. They were from four different congregations. We got them connected with people—their church contacts and others—from their congregations so they would have support as they walk the long adoption path. We had people who have adopted speak briefly about their experiences. It was a very positive encouraging evening!!

Equipping Student Leaders For Life

by Laura Davis, development counselor and director of Y4Life

One of the questions I am most frequently asked by adults during my work for **Y4Life** is “how do we get young people more involved in our life team/ chapter, etc.?”

As I learn more about youth life teams and student life groups, I have learned that this may be the wrong question. While an intergenerational life ministry is certainly a wonderful goal and something we are striving toward, when it comes to equipping the next generation, the question I have been asking myself is “how do we equip young people to be leaders in their own context?”

To answer this question, I look to my own development as an advocate for life. What helped shape my decisions and who was influential in guiding me toward a more active role? By examining my own experiences, the things that were most important to my development as a leader were the people in my life, in particular, the mentors who took the time to encourage me in my growth in Christ and in the life movement.

Mentorship was the key component in my leadership development. Any student (or adult) can go to a workshop and learn about the top ten characteristics of a leader or whatever new leadership fad is being promoted these days. From my experience, however, I learned to be a leader by learning *from* leaders. It started with the leadership in my home—my parents. Both my mother and father were wonderful examples of Christian leadership and they were active in teaching my siblings and me about Christ’s love for us and how we can show that love to others. They led by example and I will always be thankful for the lessons they taught me.

I was also blessed to have strong mentors at church, men and women who invested time in building a relationship with me, teaching me, and praying for me. I remember my youth leader in high school going above and beyond to help me through my difficult teenage years. I am now blessed to have him as my pastor. I also became so close with a woman who was my mother’s best friend and a leader in our congregation that I now consider her a second mother to me. I have gone to her more times than I can remember with questions about life, faith, and family. She encouraged me in my decision to serve the Lord outside of the traditional church worker context. Without their support, I would not be where I am today.

When I first got involved with Lutherans For Life, it was the relationships I developed with staff and fellow board members that made coming to work for LFL the easiest decision I have ever made. I didn’t even have to think about it! And all throughout this first year, it has been those relationships, those mentors, who have taught me more than I could imagine and encouraged me through the good and the bad times. I thank God everyday to have such people in my life.

Mentorship is something you can start right now. If you are a parent, you are probably already doing this with your children. But, beyond your own home, this is something that you as a life

Directions • Lutherans For Life • Leadership

team or chapter or even an individual can be involved in now. Is there a student life team at your local university or high school? How can you mentor their leaders? What services can you provide them as they serve their school? Is there a young person at your church who seems passionate about life? Take the time to personally invite them to activities or to the LFL National Conference or even just to lunch. It is amazing what a personal invitation will do. My generation learns and grows through relationships. I know I did. By building these relationships you are building life leaders.

Wish List

We want to share with you our “Wish List.” Most of these items are not included in our annual budget. Please prayerfully consider how you could support one of the projects. A gift of any amount is welcome. We also encourage you to organize a fund-raising project with your Bible study, state federation, chapter, Life Team, or another group from your congregation to assist us.

Speakers Bureau

Do you need a speaker? Lutherans For Life will work with you to help meet your needs for a speaker at a rally, convention, Bible study, worship service, public or parochial school, college/university, or at a workshop/seminar. A variety of formats are available from a single presentation or sermon to a multi-day series of workshops. Dr. Lamb says, “These speakers not only address a variety of life issues, but do so based on the Word of God.”

General speaker guidelines (may vary by individual):

- Airfare/Mileage: Actual airfare and/or current standard IRS mileage rate to airport or event
- Lodging: Quiet, non-smoking hotel room
- Honorarium: Affiliated speakers for Lutherans For Life are not in a paid position. Therefore, we ask that sponsoring groups provide an honorarium for affiliated speakers. The sponsoring group determines the amount of the honorarium. Honorariums depend on number of events. Honorariums begin at \$200.
- Meals: \$25 per day unless other arrangements are made
- Other: A lectern will be needed. A TV, video projector, DVD player, and/or an overhead projector and screen may be needed.
