

Sometimes, Living In Faith Everyday means that we have to trust God even when bad and sad things happen. We need to remember that if our family member or friend died trusting in Jesus, we can look forward to seeing them again someday in heaven. Jesus loves us even in the bad and sad times.

**“This is love: not that we have loved God, but that he loved us and sent his Son to be the payment for our sins. Dear friends, if this is the way God loved us, we must also love each other.”**

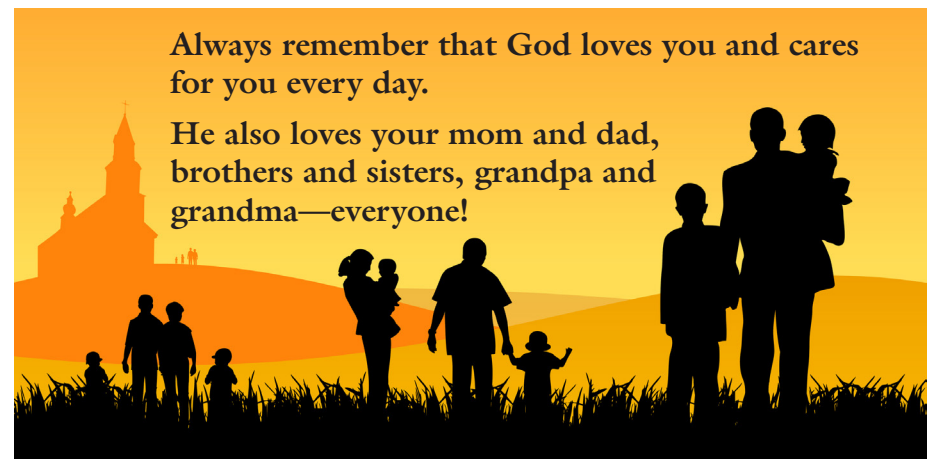

(1 John 4:10-11 *GOD’S WORD*)

**How do we Live In Faith Everyday?**

When you Live In Faith Everyday, you can be thankful for wonderful blessings like a birthday walk with dad or time with grandma.

Remember, however much others may love us, Jesus loved us so much that He died on the cross for us giving us something very, very special—forgiveness of sins and life forever with Him in heaven!
